Artist Application

“Women’s Work” - March 2018

The Ashtabula Arts Center is accepting art by women artists throughout the area in celebration of Women’s History Month. The Arts Center, in collaboration with galleries throughout Northeast Ohio, will be hosting an exhibition of work by local women artists: “Women’s Work.”

Artists may submit up to 3 pieces by bringing their pieces and this application to the Ashtabula Arts Center between February 26-28. Artists will be notified if any pieces will not be included in the show by March 6th, and may pick up any pieces of unaccepted artwork on March 6-8. The Arts Center reserves the right to turn away any art we deem unsuitable. Artists may pick up any accepted artwork on April 2-4. For any sold artwork, the Arts Center will retain 30% of the purchase price. By submitting artwork, the artist agrees to hold harmless the Arts Center for any liability.

The reception for the Women’s Show will be held on March 16 from 6-8 p.m at the Arts Center.
